

## Newsletter – May 2017

Dear Parents/Carers,

We are already in the month of May and we cannot believe how fast the year is going. Welcome to all our new stars! Please welcome our new families with open arms into the Creative Stars family!

### Waiting List

If you need any additional days in the future, please let us know asap as we have limited sessions available for children already within the setting.

### Many Thanks!

Many parents have given up their free time to work on the outdoor area and soon enough, the children will be using their lovely new area fully.

A big thank you to all the parents who have been working on our outdoor area and to all of those who helped on the fundraising day.

Please donate any old pots, pans and cooking utensils for our mud kitchen!

### Fire Drills

Over the last month the children have been learning about fire safety and we have been taking part in a weekly fire drill to ensure all children are aware of how to stay safe in the event of a fire.

Please discuss fire safety with your children at home to consolidate their learning. We are able to evacuate all children in just over 2 minutes!

### Outdoor Fundraising Event

On Saturday 29<sup>th</sup> April 2017, we had our amazing Fundraising Event and were extremely happy to see so many families come and support our fundraiser.

Our aim was to raise £500 and we are on track to meet this goal! Once children return their sponsorship money to the nursery we will send out a letter letting you know the grand total.

### Installation of Path

We have now been given the approval from Lewisham to install a small path from the stairs to the nursery outdoor area.

Over the month we will be having contractors coming to give quotes with the hope of the path being installed as soon as possible.
