

No Smoking Policy

Creative Stars Day Nursery is a designated NO SMOKING AREA.
Smoking is prohibited anywhere inside the building or within our outdoor area.

This is a health and safety issue. Staff members, trainees, volunteers, parents and visitors are reminded of this policy whilst on the premises or outside the premises on outings, trips, visits etc. and/or when in uniform in the presence of children.

We will also ask the public to refrain from smoking around the area of the nursery and to move along down the path or to another area, like for example, the back of the nursery near the benches. This is to protect the health and well-being of our stars onsite.
